MEMORANDUM FOR: Chairman/COMIREX  
FROM: Chairman/IHC  
SUBJECT: Proposed Change to RMS MOA

STAT

[Redacted] —  
In reviewing the draft MOA for RMS, I find that management responsibility for system security is not specifically established and could cause problems down the pike. I recommend subsection 3.9 be reworded as follows:

"The Director of Central Intelligence, represented by the Chairman, COMIREX, will be the overall RMS accrediting authority. He will establish system security requirements and operating procedures through the issuance of a formal statement of RMS Security Policy amplified by a more detailed RMS Security Plan.

For the central site RMS, CIA Office of Security will as the certifier for the DCI. The Office of Security will work in conjunction with OD&E/CPG to ensure that the central site RMS adequately protects intelligence in accordance with DCID 1/16 and the RMS Security Plan. For the DoD RMS sites..."
